NOTES TO FINANCIAL STATEMENTS

July 31, 2012

Note 1 - Summary of Significant Accounting Policies

The summary of significant accounting policies of Jefferson-Clarion Head Start, Inc. (Corporation) is presented to assist in understanding the Corporation's financial statements. The financial statements and notes are representations of the Corporation's management, who is responsible for their integrity and objectivity. These accounting policies have been consistently applied in the preparation of the Corporation's financial statements.

Programs and Activities

Jefferson-Clarion Head Start, Inc., a nonprofit organization, was incorporated July 19, 1982, to provide educational, social and related health services to children and their families with the authority to contract with appropriate governmental or private agencies to provide these services in Pennsylvania's Jefferson and Clarion counties.

The Corporation operates a Head Start Program, the objectives of which are to provide comprehensive health, educational, nutritional, social and other services primarily to economically disadvantaged preschool children so that the children will attain overall social competence. Parents also participate in various decision making processes related to the operation of the program. The Head Start Program is funded by the U.S. Department of Health and Human Services.

The Corporation operates a Family Literacy Program and the PA Pre-K Counts Program. The primary objective of the Family Literacy Program is to stop the intergenerational cycle of under education and poverty by increasing the basic academic and literacy skills of eligible parents and their children. PA Pre-K Counts is an initiative created by the Commonwealth of Pennsylvania and private foundations to build and strengthen pre-kindergarten partnerships in communities so that each community can create a self-sustaining system for providing high quality early learning experiences to children in all settings. The Family Literacy Program and the PA Pre-K Counts Program have contract years ending June 30 of each year. Both programs are funded by the PA Department of Education.

The Corporation also operates an Early Head Start Program funded by the U.S. Department of Health and Human Services. The objectives of the program are to promote healthy prenatal outcomes for pregnant women, to enhance the development of very young children, and to promote healthy family functioning.

During the year ended July 31, 2012, the Corporation entered into a contract with the PA Department of Public Welfare to operate a Maternal, Infant & Early Childhood Home Visiting Program grant. The grant provided services to low-income families with children birth to three years of age and expectant women in Clarion County, Pennsylvania, who are eligible for Early Head Start. The grant has a contract year ending June 30, and is renewable for three (3) additional one year periods, July 1 through June 30.

The Corporation received a Head Start Body Start Play Space Grant during the year ended July 31, 2012. The award amount totaling \$4,834 was utilized to enhance the outdoor play space at the Clarion and Clarion-Limestone Head Start centers.

Basis of Presentation

The Corporation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Corporation is required to present a statement of cash flows. As permitted by the standard, the Corporation has discontinued its use of fund accounting.

Fair Value of Financial Instruments

The Corporation's financial instruments are cash and cash equivalents, grants receivable, accounts payable, deferred revenue and accrued liabilities. The recorded values of cash and cash equivalents, grants receivable, accounts payable, deferred revenue and accrued liabilities approximate their fair values based on their short-term nature.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

The Corporation reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Corporation reports gifts as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Corporation reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents are considered to be all unrestricted highly liquid investments with maturities of three months or less at the time of acquisition.

Income Tax Basis

The Corporation is a nonprofit organization exempt from federal income tax under Section 501 (c)(3) of the Internal Revenue Code.

Use of Estimates

The process of preparing financial statements in conformity with generally accepted accounting principles requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Compensated Absences

Corporation employees are entitled to annual leave and paid sick days, depending on job classification and length of service. No liability has been recorded in the accompanying financial statements for accrued days off. The Corporation's policy is to recognize the cost of compensated absences when actually paid to employees. Annual leave is accrued semi-annually (August 1st and February 1st). Employees are encouraged to take annual leave on a regular basis to reduce the risk of losing annual leave in event of resignation or lay off. Sick leave is accrued at 3.75 hours per pay to a maximum of 300 hours for full-time employees. Part-time employees accrue sick leave when scheduled to work at least 30 hours per week. Upon resignation or lay off, a full-time employee may be reimbursed for up to five (5) days of accrued annual leave, however, no reimbursement is made to employees for unused sick leave.

Property and Equipment

Property and equipment are stated at cost, and consist of assets with estimated useful lives greater than one year, and costing \$5,000 or more.

The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed on the straight-line method for financial reporting purposes. The estimated useful lives by major category are as follows:

	<u>Range of Lives</u>
Buses and vehicles	10 years
Program and office equipment	7 years

The cost of assets sold or otherwise disposed of and the accumulated depreciation thereon are eliminated from the accounts and the resulting gain or loss is reflected in income, except for assets traded. Expenditures for maintenance and repairs are charged to income as incurred; replacements are capitalized.

Subsequent Events

Management has evaluated subsequent events through February 19, 2013, the date the financial statements were available.

Total Columns

Total columns are presented to facilitate financial analysis. Data in these columns do not present assets, liabilities and net assets, results of operations and changes in fund balances in conformity with generally accepted accounting principles; nor is such data comparable to a consolidation.

Note 11 - Support from Governmental Units

The Corporation receives its support from the State of Pennsylvania and the Federal government. A significant reduction in the level of this support, if this were to occur, would have a significant effect on the Corporation's programs and activities.

December 16, 2011, the Corporation received notice from the Department of Health & Human Services that programs no longer automatically qualify for renewed funding unless they meet certain criteria. The Corporation did not meet these criteria and was designated to compete for renewed funding. June 12, 2012, the Corporation received notice from the Administration for Children and Families (ACF) that the ACF intended to extend the Corporation's current indefinite grant for an eleven-month period ending June 30, 2013. Re-competition proposals were submitted by the Corporation for both the Head Start and Early Head Start programs on August 10, 2012. To date of this report, the Corporation has not received notification regarding renewed funding for the budget year beginning July 1, 2013.

Note 12 - Contingencies

The Corporation participates in both state and federal assisted grant programs. These programs are subject to program compliance audits by the grantors or their representatives. The Corporation is potentially liable for expenditures, which may be disallowed pursuant to the terms of these grant programs. Management is not aware of any material items of noncompliance which would result in the disallowance of program expenditures.

Internal Control over Financial Reporting

Management of Jefferson-Clarion Head Start, Inc. is responsible for establishing and maintaining effective internal control over financial reporting.

In planning and performing our audit, we considered Jefferson-Clarion Head Start, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Jefferson-Clarion Head Start, Inc.'s internal control over financial reporting. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REQUIREMENTS THAT COULD HAVE A DIRECT AND
MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON

WITH OMB CIRCULAR A-133

Brookville, PA 15825

Members of the Board:

Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Jefferson-Clarion Head Start, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. Accordingly, we do not express an opinion on the effectiveness of Jefferson-Clarion Head Start, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of Jefferson-Clarion Head Start, Inc.'s Board of Directors, the audit committee, management, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
